Bowling Club News

No. 43

MAY 2007

1st division red after 40 years!

In the 1960's Dalkeith was one of the top Clubs in Perth with 2 x 1st division Red teams. The Club had 450 men members and closed it's membership. From that point on the Club went down to loose it's 1st Red by the end of the 60's. Our Thursday 1st Division White this year finished on top and are promoted to 1st Red next season..As we are keeping all our top team and may have additions we are looking for an even better year this coming pennant season.

Besides that team we have Thursday 2 Gold and Saturday 4 Purple and 5 Red all winning their pennants the last two promotion. The ladies had a great year topping both 3 Green and 4 Purple to be both promoted.

Thursday 2 Gold Pennant Winners

Thursday 1 White Promoted

Saturday 4 Purple Pennant Winners

Ladies 3rd Promoted

Saturday 5 Red Pennant Winners

Ladies 4th Promoted

Ladies President's Report

Opening Day on the 8th September, when we warmly welcomed our Patron Shirley, who delivered the first bowl for the season, was the start of a very busy summer season – with Pennant Bowls commencing on the October 24. November brought another very successful and enjoyable Soup & Sandwich Day at the club on Melbourne Cup day, followed by the final of the ladies Singles Championship and Christmas part on December 22.

Having applied and been accepted to host the Inter-Region Round Robin fours event on January 20/21, with a most successful day we were later asked by Bowls WA to host the opening on Saturday afternoon March 10, of the Metropolitan vs Country Challenge at the start of Women's Country Week. Also Monday, for the Country Pairs Championship and Men's Country Week on the previous weekend. Here, I would like to mention and thank most sincerely our very capable kitchen convenors Pauline House and Jo Drake-Brockman and their social committee for the excellent management, with all the wonderful meals supplied for all these occasions. This also applies to Gala Day, another very successful day.

To finish on a high note our two pennant teams were successful in topping their respective colours this pennant season and achieved our aim to raise our standard once again to 2nd and 3rd divisions for next pennant season. To celebrate all members were invited to the club for champagne and tit-bits on our last pennant day and this was thoroughly enjoyed by all present.

As this is my last report at President of the ladies club I must say I have enjoyed the experience immensely and I thank all members most sincerely for their help and encouragement. I wish Margaret Wells the incoming President and all her committee members a very happy year ahead.

Presidents Report

The biggest change in the last year has been the finances where a profit of \$5000 after depreciation was recorded, This was an improvement of \$21000 on the season before. Most of this change is from Corporate Bowls. When you consider 5 years ago our bar trade was less than \$100000 and is now over \$170000 you can understand the big turn around and how important these events are to the Club. Over 70 events in 8 months ranging from weddings-birthday parties-company days etc. Many thanks to George Klug for the fantastic job with Corporate.

New membership has been constant with over 60 this year. Overall membership is now 260 male and 100 female members. While we have a number of Social members we should work harder on getting our Social Bowlers involved in winter bowls then Pennants.

Our Pennants did well in both mens and ladies . We should thank Kerry Haddleton and his selectors for the onerous job of picking the best teams and keeping everyone happy. Also to all those members who filled in when there were absentees. With a few new players to come into our top team we should do well this next season.

There have been improvements to the Club house thanks to Martin Adams. We can now lock the mens locker room for 21st as the men now have a toilet on the front verandah. More painting has been done so the Club is in good shape.

Our hedges are now being cut regularly per John McCormack which really enhances the look of the surrounds.

The greens with Gary Ellis and his team with Ross Donald have kept up the high standard we always expect at Dalkeith Our Club have very good Sponsors and we encourage our members to use them at all times and let them know you are from the Dalkeith Bowling Club.It is the best way to keep your Sponsors.

Thanks to a strong Committee who all took their jobs seriously and worked together as a team.
